

COP SUSPENDED;
GUN PLAY CHARGEIs Virtual Dismissal Unless
Appealed to Civil Service
Commission.

Police chief J. H. Montgomery Friday afternoon announced the indefinite suspension of W. R. Toftor, a special officer, on a charge of flourishing a revolver.

The suspension, according to the chief, is virtually a discharge unless Toftor appeals to the civil service commission for a formal hearing, which he has not signified his intention of doing.

The charge grows out of an alleged disturbance created by Toftor at the "44" auto stand. The officer is alleged to have entered the stand about 4 o'clock Friday morning, and lined six chauffeurs up against a wall at the point of a revolver. The chauffeurs reported that Toftor shot into the walls and ceiling of the building.

Five Colorado
Cities Obtain
New Phone RateEffective December 1, Denver
Gets 50 Cent
Reduction.

Denver, Colo., Nov. 28.—The Colorado state public utilities commission today announced that the telephone rates in five cities in the state—Denver, Colorado Springs, Pueblo, Loveland and Sterling—had been reduced, effective Monday, December 1, following the cancellation of the rates which had been in force during federal operation of the telephone and telegraph lines.

In Denver the rates on residence telephones were reduced 50 cents per month, and the old rate schedule, established by the commission in June, 1918, was restored, with the exception that the business toll rates are to remain effective. In Colorado Springs and Pueblo, rates on business house phones were cut from \$1 a month to 45 cents a month, and the monthly rate was cut from \$2 to \$1.50.

At Sterling and Loveland, rates on business house phones were reduced 50 cents per month, the rates on one and two party lines being brought to \$4 and \$1.50 respectively. Similar reductions were ordered for business phones in the Boulder exchange. Toll rates are to stand in all cases.

TO RELIEVE CATARRH

Wise Treatment Includes Use of a
Good Blood Purifier.

The cause of catarrh exists in the blood, and is an impurity that produces an inflammation of, and discharge from, the mucous membranes. It is commonly made worse by sudden changes of weather, indigestion, the use of clothing, and by many other things; and it is hazardous to neglect it, because it always affects the general health.

It is a constitutional disease and must have constitutional treatment—this is rational.

Rood's Catarrh pills purify the blood, build up the system, and cleanse a fair trial in every case. If a laxative or cathartic is used, take the gentle Rood's Pills—adv.

Knit Underwear2000 garments go on sale Monday in the
Downstairs Store at about half actual values.

WE never know about the weather in El Paso, but the arrival of this special under-priced purchase of underwear was certainly timely.

In this sale, we offer you sample underwear, and underwear known as "run of the mill"—having slight defects, such as oil spots and imperfections in weave. These imperfections hardly affect the wearing qualities. These garments come from the best known manufacturers of knit underwear in the U. S. At the underprice at which they were obtained, we are presenting from using the name of this manufacturer, but an inspection will readily establish the desirability of this underwear.

These 2000 garments are divided into three lots, at an average of about half the actual value.

Lot No. 1—Spring needle cotton vests and pants, sold regularly at \$1. all sizes, special at 69c

Lot No. 2—Spring needle cotton union suits, wool and silk, and wool vests and pants, worth regularly up to \$2.25, special at \$1.00

Lot No. 3—Union suits of wool, and silk and wool, and silk and cotton, high and low neck, long and short sleeves, ankle and knee length, and medium and heavy weight. These sell in the regular way from \$2.50 to \$3.50, special at \$1.69
